Auctioneer Notes :

A high end custom package designed by the famous Chicago Designer – Jerry Kleiner, that originally was purchased for approximately \$160,000.00, for that business that wants to stand out and be noticed and talked about at the same time.

Complete package today is valued around \$28,000.00- (a great price). You can purchase it by the piece or call me with a reasonable offer and you can be the next proud owner.

This is a perfect high end unique décor setting to draw customers in time after time. It will draw them in.

We did have a bid of \$9,500.00, but the owner rejected it. The \$10,500 bid wasn't offered. Now there are no reserves. He will provide free delivery to a radius of 50 miles from Elgin to your door.

Outside delivery only.
